iXI, Reading Eggs, and Online Programs

These programs are now in process of being updated and prepared for the 2016-2017 school year.

Students may not be able to sign in on Monday and Tuesday, as classes are moved to their new teachers.

We appreciate your patience and understanding, as we make sure these programs are ready for a new school year.

Violin Classes

Flavia Zappa Medlin has offered to teach a beginning strings class for students interested in group violin instruction. Classes will be held on Mondays after school, and information will be sent home the week of August 15th.

Classes will be \$10.00 per week. Students will need to provide their own instrument. Mrs. Medlin will be able to direct families to reasonable leasing programs for those who do not want to purchase a violin.

Flavia Medlin currently plays for the Sarasota Orchestra, the Anna Marie Island Community Chorus and Orchestra, and the South Shore Symphony Orchestra. She is a member of St. Mary Star of the Sea Parish and is looking forward to sharing her gift of music with our students.

Mrs. Medline has a Bachelor's Degree from Northwestern University, and a Master's Degree from the University of Minnesota. We are honored that she is interested in offering this program for our students.

Our middle school students will begin their day, following prayer, with a special orientation on Wednesday morning, August 10th, in the St. Joseph Room. All middle school students will be welcomed to the new school year, receive their schedules, and have an opportunity to meet all of their teachers before beginning classes.

**Your TRASH
is our TREASURE!**

Please remember us during your summer cleaning!

The Carnival will again feature a “Prize Room” where players can exchange the tickets they win playing the Carnival Class Booths for various prizes – large and small.

We would like to stock this Prize Room with as many donated like-new items as possible.

We have received some very generous donations during the summer.

We are still in need of clean, new or like-new stuffed toys.

Simply drop your donated items in the Main School Office anytime during their summer hours.

Anything not used will be reused or donated to charity.

Arrival/Dismissal Procedures

Arrival

The south side of the school is for car drop-off only. No parking is allowed. The north (Parish Center) side of the school is for parents who wish to park and walk students to the classroom, or onto the grounds, in the morning.

Both the north and south side gates will be opened in the morning. After 8:00 A.M., entry is available only through the south gate and anyone entering the campus must sign in at the school office. Students and teachers have been instructed NOT to open the gates for anyone.

Please do not ask students or teachers to break this rule. It is unfair and inappropriate to have them decide who is safe and who is not.

Dismissal

The south side of the school is the sole entrance for all parents picking up students at dismissal, between 2:45 – 3:15. There is no parking during dismissal, and parents/guardians may not leave their vehicles at any time.

All families are asked to display their family name by using the hang tag provided by the school. The hang tag is to be hung from the review mirror with the family name visible.

Please follow the following procedure for picking up students during dismissal:

1. Enter parking lot via 33rd Avenue/ south entrance.
 2. Follow cone-lined route through south parking lot.
 3. Continue west to playground fence.
 4. Turn right to head north along playground driveway.
 5. Turn right to head east on roadway between school and Parish Center.
 6. Stop at north parking gate to load student passengers. They will be waiting for you with a staff member and safety patrol.
 7. After exiting the gate, turn left to follow cone-lined route through north parking lot.
 - A. To Exit to the South - Turn right at the corner of the church building, before the light, and then left at the church parking lot exit to head south onto 26th Street West.
 - B. To Exit to the East - Exit straight ahead to the light. When the light signals green, continue straight through the intersection to head east on 30th Avenue West.
 - C. To Exit to the North - Exit straight ahead, veering to the left to enter the left exit at the light. When the light signals green, turn left to head north onto 26th Street West.
- Homeroom teachers should be advised in writing if a student is to go home by a different means on a given day.
 - Students may not be picked up at any other location on campus during dismissal.
 - Parents may not park and meet students during dismissal. Parents who arrive on campus for after school conferences, and/or meetings, should plan to arrive/depart before or after dismissal.
 - For the safety of all students, no parking or entry/ of the building will be permitted between 2:45 – 3:15, since all staff members are actively engaged in a safe dismissal for all students. If you need to stop in the office, please wait until dismissal has been completed.
