From the Principal's Desk

Back to School Night Thank You for Attending

It was wonderful to see so many of our parents at the recent Back-to-School Night. Many of you volunteered and signed up for this year's school activities. The involvement of our families is one of the strengths of St. Joseph Catholic School and we appreciate all you do for our students.

Fall Picture Day

Wednesday, August 23rd

**Please have students wear
their school uniforms
for Fall picture day.**

**These are the photos that are used
for the school yearbook.**

If your child is in grades PK – 4 and has PE on Wednesday, please have your child wear his/her regular school uniform. Coach Kolbe will adjust PE activities for this day.

Solar Eclipse – Monday, August 21

Last week, all families received a letter detailing our school plans during the Solar Eclipse.

- Option 1: Parents may pick up their child at 1:00 pm to observe the eclipse off campus. The 1:00 pm dismissal will allow ample time to travel home. Please allow us to keep classroom disruptions to a minimum and do not request an early dismissal after 1:00 pm. Please send a note to your child's teacher (or write a message in the agenda) to inform the classroom teacher of your intent to pick up your child.
- Option 2: Parents joining our classes for the eclipse will need to arrive between 2:05 and 2:15 pm. You will be directed to go to your child's classroom to join your child when the class goes out to the playground.
- Kindergarten and Grade 1 students will need to have a parent accompany them outside. Students who do not have a parent present will enjoy eclipse activities in the classroom.
- Students in Grades 2 through 8 must return their permission forms to participate in outside activities. Any student without a permission slip will stay inside with a staff member.
- For safety following the eclipse, students will be dismissed up from their classrooms at 3:30 pm. Parents will need to park and come to the classroom.
- Parents attending the eclipse with their child may dismiss when finished observing. Please let your child's teacher know you are leaving campus.
- Reminder: Do not look at the sun without proper eye protection. This includes the use of cameras.

GUITAR CLASSES

Dear Parents and Guitar Students,

8/10/2017

I **will** continue to teach three days of after school guitar classes, this year.

Note: Intermediate classes will change back to Tuesday and Thursday. Beginning Guitar classes will continue on Wednesday.

- 1.) Students who attended **last year's** intermediate guitar classes are all encouraged to attend these classes this year.
- 2.) Students, who attended last year's Beginning Guitar class, need to continue attending those classes. Those students may be able to advance to the intermediate classes, once I have had the opportunity to assess their overall progress.
- 3.) This year I am accepting new students from second to eighth grade into the Beginning Guitar class.
- 4.) **Important Note to Parents:** **All** students must be picked up promptly by 4:15 pm at the black gate located at the back, north corner of the church choir room, near the boys' restroom. Those students not picked up by 4:15 pm will be sent to St. Joseph's After Care.

*****Snacks:** Students may bring a quick snack to eat on the bench outside the church choir room before class starts from 3:00 to 3:15 pm.

Requirements/Materials for Guitar Class

- A) All students must supply their own guitars, straps, and guitar cases.
- B) Many younger students have found small guitars, straps, and cases at TOYS 'R' US. The cost is between \$35-\$75. There are frequent sales on them. **Note:** I have had to change the steel guitar strings to nylon strings for most students, as the steel strings are hard on a student's fingers. The cost for new nylon strings is approx. \$8.00. I will purchase the correct strings for you, and you can reimburse me for the cost. I do not charge to change strings or to adjust the guitars (if they can be adjusted).
- C) Older students need to purchase larger $\frac{3}{4}$ size guitars, straps, and guitar cases. If you need assistance in finding $\frac{3}{4}$ guitars, please contact me and I will assist you in finding them.
- D) All students need to purchase: *The Complete Edition* (Books 1,2,3 bound together in one easy-to-use volume) of *The Hal Leonard Guitar Method* book with - "online access to 164 full-band tracks for demonstration or play along songs". (ISBN 9780634047015, PLASTIC COMB BINDER). Books are available online at *amazon.com*. (See attached Amazon page). **Note:** We might save on shipping costs if we can order many books in one order.
- E) All students need to supply a 1", three-ringed binder (any color) for classwork music pages.
- F) **All students need to bring their guitars and three-ringed binders to every class and take them home after class in order to practice and to study.**

It was a privilege to teach all of my guitar students, last year. I am looking forward to working with students in my after school classes, this year, as well. If your child is interested in signing up for after school Guitar Classes (as indicated in the schedule above), please contact the school office or call Jim Corbett at the numbers listed below by Monday, 8/22/17.

Classes will begin:

- Intermediate Guitar Class: Tuesday, 8/29/17 (This class is Tuesdays and Thursdays.)
