

St. Joseph Catholic School offers Nutrition Kitchen for Lunch!!

The benefits of a healthy school lunch don't need to be debated. **Nutrition Kitchen** has expertly developed a program of the highest quality, freshest and nutritionally sound lunches for less than you can purchase a Lunchable!

At **Nutrition Kitchen**, *WE POWER KIDS!* Your school is now offering a *complete* catered lunch for parents that want to provide a delicious meal for their children with an easy and convenient ordering system.

Quality, convenience and uncompromising high standards are what we give to parents through the optional lunch service, offering peace of mind and assisting you with an already too hectic schedule. **Nutrition Kitchen** will deliver a scrumptious and homemade meal from nationally-recognized and award-winning Chef Mac deCarle. We have also recently been nominated for Jamie Oliver's *Food Revolution Award*.

Each individually packaged, balanced and complete meal costs just **\$4.50** per lunch (most meals) and includes a vegetable and fresh fruit and a carton of milk, 100% apple juice or water. All meals are made without tree nuts and the ingredients are seasonal, local and organic whenever the option exists.

The menu and ordering process is all conveniently automated and parents can order from just one lunch to an entire month. **Nutrition Kitchen** accepts all major credit cards and has even more daily lunch selections through our convenient online ordering. Just a touch or a click away on your computer, smart phone or tablet.

Visit us at www.wepowerkids.com to place your child's lunch order or to learn more about our sensational lunch program serving Sarasota and Manatee counties.
