

## Staff Update – May 7, 2018

Last week was amazing with so many emotional moments! It was not only a week of incredible fundraising, but also a week of “Spirit Raising”. It was obvious from the beginning of the week to the end that we are a positive community, working together on behalf of our wonderful school! SO MANY of you assisted in so many ways last week! We could not do it without our dedicated staff. It is only fitting that this week is “Teacher Appreciation Week”. We have a few surprises planned...so...enjoy!
